VI AMERICAN ENCOUNTER OF PSYCHOANALYSIS OF THE LACANIAN ORIENTATION

*TO SPEAK WITH THE BODY,
THE CRISIS OF CULTURAL NORMS AND THE AGITATION OF THE REAL*

During the last Symposium in Miami, we presented this major event of Lacanian psychoanalysis to the English speaking community.

As we said then, the Encounter has been, until now, in two languages (Spanish and Portuguese) as the participants come mostly from Latin American countries. We would like to add English translations in order to receive our colleagues and friends of America interested in this subject.

We want to know how many of you have the possibility of coming to Buenos Aires on November 22, 23 so as to be able to decide this matter.

Please fill in this pre-registration form and let us know as soon as possible about your intention. Please send it to ricardoseldes@gmail.com with a copy to cerubinetti@gmail.com
